

## CHANGING YOUR OWNCLOUD PASSWORD

**INTRODUCTION:** This guide will explain how to change your ownCloud password.

**SYSTEM REQUIREMENTS:** NA

### **WHAT YOU MAY NEED & OTHER CONSIDERATIONS:**

- Your ownCloud username will be the same as your Hosted Exchange mailbox address.
- Your password will be the same as your Hosted Exchange mailbox password.

## STEP ONE

If you have forgotten, or would like to change your password, please go back to the guides page on the IT-Logik website and follow the guide which explains how to change your email (Hosted Exchange) password, or simply click [here](#)

Do note, that this will change both your Hosted Exchange mailbox password AND your ownCloud password

## STEP TWO

To log on to ownCloud open up a web browser and paste [owncloud.it-logik.com](http://owncloud.it-logik.com)

You can test your username and password here
